

### Harvest Festival 2024

It was so lovely to welcome so many of you both to the Harvest Festival this week and also to school for the Macmillan Coffee Afternoon. The children spoke, sang and performed so beautifully and I was exceptionally proud of each and everyone of them.

The Coffee Afternoon raised over £190 which will be donated to Macmillan and the Friends said that our Year 6 children were so very helpful, helping to serve tea, coffee and cake to our many visitors and also to count up the money at the end. Well done Year 6!

This week your children will have brought back their Christmas Card design for you to purchase if you wish. There are also other gifts available including cups, notebooks with their design on. Please can all orders be back to school, with the money, for **Friday 11th October** (next Friday) as they need to be ordered so guaranteed to return before Christmas! Many thanks to the Friends for organising this.

On **Tuesday 8th October**, next week, our new telephone system is being installed and so there will be **no** telephone operational during this day. Therefore, please contact Abby on email if you need to speak to anyone at school this day. Many thanks for your patience with this matter.

Have a lovely weekend and please remember that my door is always open if you want any further information or support.

### Sports Spotlight from Mr Jones!

This half term sports focus is Tag Rugby and dodgeball on a Friday in PE lessons and Tag Rugby in Sports Club. I have been so impressed with the way that the children have continue to develop their skills from last year and I look forward to seeing them perform in upcoming events later in the year.

If you would like your child to take part in Sport Club, it is on a Friday from 3:30–4:30pm for children from Reception to Year 6.

Please call the School Office 01588 660 207 or email [adminclunbury@bhf.shropshire.sch.uk](mailto:adminclunbury@bhf.shropshire.sch.uk)

### Sporting Achievements

Thank you to Callum's Mum for sending in a photo showing Callum's great achievement in the summer at the football festival he participated in ! Well done Callum!

If your child has anything that they are proud of that you would be happy to share with our school community, please send them to Mrs Jones for her next newsletter on 18th October.

## School Nursing

The School Nursing Team provide health and wellbeing information, advice, support and guidance to children and young people, teachers, families and carers across Shropshire. We are part of the 0-19 Public Health Nursing Service which contains Specialist Nurses (School Nurses and Health Visitors), Registered Nurses, Healthy Child Practitioners and Support Workers.

Every Local Authority funded school in Shropshire has a named School Nurse. We offer lots of different services, workshops and events enabling schools to contribute to PSHE outcomes, as well as targeted one to one support for children and their families.

Your child might come across a School Nurse in school in an education session or health related workshop, but we will not see your child alone without your consent. Sometimes, children ask us for individual advice and we will always feed this back confidentially to parents and carers.

Here are some examples of the topics we can support you with:

- Healthy lifestyles**  
Diet and restricted eating
- Transition and change**  
School readiness  
Behaviour
- Sleep Development**
- Puberty** (including management of periods)
- Oral/dental hygiene**  
Toileting and constipation  
Handwashing

**Anything else you might be concerned about!**

Parents and carers can also call or text us for confidential advice and support around any health or development concerns or worries they may have about their child, we will not share this information with your child's school without your consent.

You can get further information, ask questions or simply contact your School Nurse for a chat by calling our Single Point of Access (SPOA) on **0333 358 3654** OR Texting: **07507 330 346.**
