At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should they feel it is needed. What Parents and Carers Need to Know about APPLE GUIDED ACCESS

iPhones and iPads don't offer separate user accounts. So when you hand your Apple device to a child to play a game or watch a video, you're also handing them access to your email, the web, messaging and numerous other apps through which they could accidentally do something regrettable.

Apple Guided Access solves this potential problem by letting you restrict the iPhone or iPad to one particular app whenever your child uses the device. If they try and leave that app, they will be asked for a password or Face ID, meaning they can't access anything they shouldn't elsewhere on the device. Here, we show you how to find and set up the Guided Access feature, so you can confidently let your child borrow your iPhone or iPad.

PAPERBACK

THE RAILWAY CHILDREN

A new adaptation by Charis McRoberts

"Thoroughly entertaining!
 Exactly what live theatre should be about!"

60 CHURCH STRETTON ARTS FESTIVAL 2026

A scandalous secret. An endless golden summer. A beast they call the Green Dragon. Bobbie, Peter and Phyllis have been swept off to the English countryside by their mother, who is suddenly much too busy to play their games.

Left to explore their new home, it is not long before they feel the pull of the railway at the bottom of their garden. As they follow the tracks to the local station, a whole world opens up to them, full of charming characters, romance, peril and questions that need answering.

Why is mum always on the phone?
 Why is the 08.11 always late?
 And where has dad gone anyway?

Fresh from their celebrated 2025 tour of Wind in the Willows and The Wizard of Oz, Paperback Theatre returns with a brand new, enchanting production of E. Nesbitt's classic book 'The Railway Children', adapted by Charis McRoberts.

"A fresh, young company, with wit, imagination and unshakeable confidence. Their shows are hilarious and touching in equal measure."
