## Preschool

We have had a great week learning about caterpillars, talking about the lifecycle and welcoming our little visitors. We have 5 baby caterpillars which we are looking at every day for the changes.

Tizzy Tiger joined us for snack time, he came to show the children how to work through the steps in order to make their toast, using the vocabulary first, next and last. They thoroughly enjoyed this activity and had the choice of strawberry jam or marmalade.

We also enjoyed making fruit kebabs with Reception.

## Class One

This week, we've all been really interested in how much our caterpillars are growing. They're getting bigger and bigger! Mrs McLean brought in lots of fruit on Tuesday for our Reception children to cut up. They enjoyed making and eating fruit kebabs like the very hungry caterpillar. The Y1s and Y2s have been learning how to tell the time on an analogue clock, please help them by showing them clocks, analogue or digital at home and talking about the time.

## Class 2 News

This week, all of Class 3 and a large amount of Class 2 begun their swimming sessions. It was a pleasure to see their effort and progress in the pool and their manners on the bus journey were exemplary. Key Stage 2 have also had a Zoom call with Catherine Cooper this week. This time we are working on Poetry together. Watch this space for some wonderful poetry that the children have written... As always, thank you so much to Catherine for all of the time, opportunities and experiences that you offer to our school. We are very appreciative and love working with you.

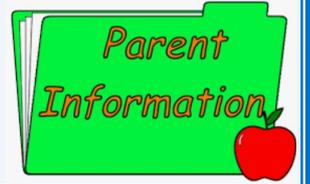

## Class 3

[Congratulations](#) to the year 6s who completed their goblin car project at Curborough race track last week. Oliver and Fin raced the 'Bucknell Baguette' creation against 24 other schools' cars and in the time trial achieved a phenomenal 5th place! They returned with a magnificent trophy in recognition of their efforts. Thank you to **Steve** and **Rob**, our goblin car ambassadors and experts, without whom this opportunity would never have been possible. Thank you also to our school governor, **Mrs White**, and **Miss Hughes** for accompanying the children on this trip, particularly given the 6.15am departure time!

Keeping children safe online

### A Parent's Guide to Safety and Privacy Settings

scan the QR code with your phone's camera for Parent Guides on how to help keep your children safe online

When you give a child access to the internet, you give them access to the adult world.

The Internet treats everyone as adults and there are many things, they are not yet ready to know, which is why it is vital that some form of safety settings are in place. Doing something is better than doing nothing.

What happens online has an effect to what happens offline and what happens offline has an effect to what happens online.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.

## Health for Kids! School Nursing

The School Nursing Team provide health and wellbeing information, advice, support and guidance to children and young people, teachers, families and carers across Shropshire. We are part of the 0-19 Public Health Nursing Service which contains Specialist Nurses (School Nurses and Health Visitors), Registered Nurses, Healthy Child Practitioners and Support Workers.

Every Local Authority funded school in Shropshire has a named School Nurse. We offer lots of different services, workshops and events enabling schools to contribute to PSHE outcomes, as well as targeted one to one support for children and their families.

Your child might come across a School Nurse in school in an education session or health related workshop, but we will not see your child alone without your consent. Sometimes, children ask us for individual advice and we will always feed this back confidentially to parents and carers.
