

RE

We will be using a variety of resources to answer:

What does it mean to be a Hindu in Britain today?

What kind of world did Jesus want?

During the term, we will also explore the festival of Easter.

PSHE

In PSHE, we will focus on:

- Dreams and Goals
- Healthy Me

P.E

We will be working on Hockey, Netball, Orienteering and Dance

Computing

We will have Online safety updates from 'Project Evolve' and we will be learning about Stop Frame animation using ipads. We will also learn about microphones and audio production.

D&T

We will be exploring shell structures including computer aided design. The children will design their products using their computing skills.

English

Our key texts will include: 'The Fossil Girl' by Catherine Brighton and 'Big Blue Whale' by Nicola Davies

We will focus on Recount writing and Instructional Writing.

GPS (grammar, punctuation and spelling)

In line with the National Curriculum and to support the written elements of English.

The Romans - Class Two

Art

We will be exploring Still Life through the artist Paul Cezanne. We will study the composition of the art work, focusing on shadows and different tonal shades.

Maths

We will be using a Power Maths approach to further our understanding across a range of areas within maths.

Science

Animals including humans is our main theme this term. We will be learning about nutrition, food labels, skeletons, teeth and muscles. We will also explore animal habitats and why some animals are either extinct or endangered. Investigations will enrich this learning in a practical way.

Music

We will develop our singing skills, learn how to control sounds on instruments and compose pieces of music.

French

We will follow the Language Angels scheme to learn about how to order different foods, including ice cream!
