

## ENGLISH

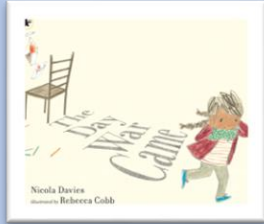

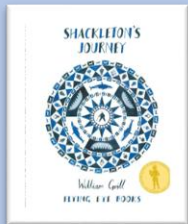

This term we will be covering all aspects of the English National Curriculum.

We will have a weekly spelling test this term.

All children should be reading at home regularly to support their learning at school.

We will be taking part in the Shropshire Bookfest for the first time! We will be looking at Shackleton's Journey and completing, diary and recount writing in the first half term.

Then we will look at The Day the War Came and focussing on poetry and formal letter writing.

## PSHE& RSE

Within our PSHE lessons, we will cover:

- Dreams and goals
- Healthy me

## RE

Our two RE units for this term will be:

- What does it mean to be a Muslim in Britain today?
- What do Christians believe Jesus did to 'save' people?

## MATHS

Through the term, we will be looking fractions, decimals, percentages, ratio, algebra, angles, shape, perimeter, area and volume.

Please practise all tables and related division facts up to x12.

We will have a weekly mixed times table test this term.

## Spring 2026 TOPIC OVERVIEW

Please read to see what Class 3 will be learning about this term.

## MUSIC

The children will continue working alongside the Shropshire Music Service, learning about the history of music as well as how to use and understand staff and musical notations. The children will also be developing their singing skills by learning songs, including harmonies, for celebratory festivals including Easter.

## COMPUTING

Within our Computing lessons, we will cover:

- Creating media – video production
- Introduction to spreadsheets

Each half term there will be dedicated E-Safety lessons to enable the children to use all areas of computing and online technology safely.

## FRENCH

Within French this term, we will cover:

- My Family
- The Weekend

## D&T

We will be looking at frame structures this term.

## ART

Within our Art lessons, we will be learning all about activism.

## SCIENCE

In science, we are learning about human circulation in Spring 1. Whereas after half term we will be looking at properties and changes of materials.

## PE

The children will be working with Mr Jones to develop their skills in handball, football and cross country.

## GEOGRAPHY

We will be looking at mountains. Children will learn what a mountain is, describe the key features of mountains, learn how they are formed, describe the climate of mountains, look at life on a mountain, locate famous mountains on map and learn all about the significance of the Himalayan mountains.

## HISTORY

We will be learning all about the Anglo-Saxons and starting to link in the Vikings as well. We will specifically be looking at the struggle for power, how England became one unified country and Alfred was the first King of England.
